Education status:

Degree	**Department/Program**	University	**Year**
HIGHER	FACULTY of MEDICINE	EGE University	1977-1983

TASKS

Position Title	POSITION	YEAR
GENERAL PRACTITIONER	Practitioners' Compulsory Service: PALU State Hospital and ELAZIG Tuberculosis Dispensary - Turkey	1983-1985
GENERAL SURGERY FELLOWSHIP PROGRAM	General Surgery Fellowship Training: SSK İzmir Education Hospital-Department of Surgery - Buca / İZMİR	September1985-March 1990

SUBSPECIALITY IN TRANSPLANTATION SURGERY	Active education on kidney and liver transplantation between 1995-1997 at Ege University Medical Faculty Organ Transplantation and Research Center To receive active training as a Specialist Surgeon (Registrar in Transplant Surgery) at the Addenbrooke's Hospital Organ Transplantation Center in Cambridge University /1996 Worked as an expert surgeon (Honorary Senior Registrar in Transplant Surgery) at the Addenbrooke's Hospital Organ Transplant Center in Cambridge University/1998	1995/1998

CHIEF OF GENERAL SURGERY DEPARTMENT	1. To be successful in the State Education Hospitals Chief and Chief Assistant Examination (June 17, 1998). 2. To be appointed Chief of Tepecik Training Hospital 3rd Surgical Clinic by Ministry of Labor and Social Security on 23.8.2000. 3. To be appointed , Chief of General Surgery Clinic of Turkish Ministry of Health (TMH)- İzmir Education Hospital in August 2003 and to continue this duty. •	

ASSOCIATE PROFESSORSHIP IN GENERAL SURGERY	On 24.11.1998, to gain the title and authority of Associate Professorship in General Surgery .	
CHIEF OF ORGAN TRANSPLANTATION CENTER	To establish TMH İzmir Training Hospital Organ Transplantation and Research Center In October 1997, to perform the first kidney transplantation and serve as license holder and clinical officer in the same center, so far.	
GENERAL SURGERY CLINIC TRAINING AUTHORITY	Having been appointed as 'CHIEF of EDUCATION' in January 2015, at İzmir Bozyaka Training and Research Hospital General Surgery Clinic and serve for the same task afterwards.	

CURRENT POSITION:

1. To be appointed Chief of TMH- Tepecik Training Hospital 3rd Surgical Clinic by Ministry of Labor and Social Security on 23.8.2000.

2. To establish the TCSB İzmir Training Hospital Organ Transplantation and Research Center in October 1997, to perform the first kidney transplantation and to act as the license holder and clinical officer in the same center.

3. Performing 800 kidney transplants in 19 years period, having a world-class long-term graft (83%) and patient survival (92%)

4. To be appointed Chief of the 3rd General Surgery Clinic of TMH İzmir Education Hospital in August 2003 and to continue this duty.

5. Being assigned to the duty of 'MENTOR in SURGERY' at İzmir Bozyaka Training and Research Hospital in Jan. 2015, and is currently continuing this duty.

6. Being assigned to the duty of 'Chief of Education' at İzmir Bozyaka Training and Research Hospital PATHOLOGY Clinic in December 2016 (for 1 year period).

7. Since 2018, To carry out the duty of ' Education Coordinator' in Bozyaka SUAM of Health Sciences University.

DIRECTED MASTER THESIS:

The theses of all the residents who participated in 3rd General Surgery Department since 2000, have been managed by me and published in national and international journals

MEMBERSHIPS IN SCIENTIFIC ORGANIZATIONS:

I. Turkish National Surgical Society

ii. Clinical Enteral and Parenteral Nutrition Society,

iii. Turkey Organ Transplant Association (board member)

iv. The Transplantation Society.

AWARDS:

1. Being among the first 300 students in the 1977 university entrance examinations (within 350,000 applications)

2. Being entitled as a Specialist Surgeon and work in England by the General Medical Council of The British Government (Registration No: 96/1808).

3. Performing successful first kidney transplantation at SSK İzmir Training Hospital.

4., To be granted by a senior scholarship of Yaşar Education Foundation in 1996.

5. To be granted by a senior scholarship of Koç Education Foundation, in 1998.

6. To be number one in terms of number and graft (100%) and patient survival rates (93%) between Turkish Ministry of Health, Training and Research Hospitals in 2015 and 2016 years.
